15 of architecture as a registered architect, of landscape architecture as a registered  
16 landscape architect, ~~of professional geology as a registered professional geologist~~ or  
17 of professional engineering as a registered professional engineer, or in the  
18 professional activity of a holder of a certificate of record as engineer-in-training.

19           **SECTION 47.** 443.11 (2) of the statutes is amended to read:

20           443.11 (2) The examining board may reprimand a firm, partnership or  
21 corporation holding a certificate of authorization issued under this chapter or may  
22 limit, suspend or revoke the such a certificate of authorization of a corporation if any  
23 of its the agents, employes or officers of the firm, partnership or corporation has  
24 committed any act or has been guilty of any conduct which would authorize a  
25 reprimand or a limitation, suspension or revocation of the certificate of registration

1 of a registrant or the certificate of record of an engineer-in-training under this  
2 chapter, unless the firm, partnership or corporation submits evidence satisfactory to  
3 the examining board that the agent, employe or officer is not now practicing or  
4 offering to practice architecture, ~~professional geology~~ or professional engineering in  
5 its behalf.

6 **SECTION 48.** 443.11 (3) of the statutes is amended to read:

7 443.11 (3) Any person may ~~prefer~~ make charges that any registrant, holder of  
8 a certificate of record as engineer-in-training or corporate holder of a certificate of  
9 authorization has committed an act for which a reprimand or limitation, suspension  
10 or revocation of registration is authorized under sub. (1). Such charges shall be in  
11 writing, ~~and~~ shall be sworn to by the person making them and shall be submitted to  
12 the examining board. The examining board may, on its own motion, make such  
13 charges. All charges, unless dismissed by the examining board as unfounded or  
14 trivial, shall be heard by the appropriate section of the examining board ~~interested~~,  
15 subject to the rules promulgated under s. 440.03 (1).

16 **SECTION 49.** 443.11 (4) of the statutes is amended to read:

17 443.11 (4) If after ~~holding~~ a hearing under sub. (3), 3 members of ~~the a~~ section  
18 of the examining board ~~holding the hearing~~ vote in favor of sustaining the charges  
19 specified in sub. (3), the examining board shall reprimand or limit, suspend or revoke  
20 the certificate of registration of the registered architect, registered landscape  
21 architect, ~~registered professional geologist~~ or registered professional engineer, the  
22 certificate of record of the holder of a certificate as engineer-in-training, or the  
23 ~~certificate of a corporate holder of a certificate of authorization of a firm, partnership~~  
24 or corporation.

25 **SECTION 50.** 443.11 (6) of the statutes is amended to read:

1           443.11 (6) The examining board, for reasons the interested appropriate section  
2 of the examining board considers sufficient, may reissue a certificate of registration  
3 or a certificate of record to any person, or a certificate of authorization to any firm,  
4 partnership or corporation, whose certificate has been revoked, providing if 3  
5 members of the architect section, 3 members of the landscape architect section, 3  
6 members of the geologist section or 3 members of the engineer section of the  
7 examining board vote in favor of such reissuance. ~~A~~ Subject to the rules of the  
8 examining board, the examining board may, upon payment of the required fee, issue  
9 a new certificate of registration, certificate of record or certificate of authorization,  
10 to replace any certificate that is revoked, lost, destroyed or mutilated may be issued,  
11 subject to the rules of the examining board and the payment of the required fee.

12           **SECTION 51.** 443.14 (1) of the statutes is amended to read:

13           443.14 (1) An employe of a person holding a certificate of registration in this  
14 state who is engaged in the practice of architecture, professional geology or  
15 professional engineering and an employe of a person temporarily exempted from  
16 registration, if the practice does not include responsible charge of architecture,  
17 professional geology or professional engineering practice.

18           **SECTION 52.** 443.14 (2) of the statutes is amended to read:

19           443.14 (2) Officers and employes of the federal government while engaged  
20 within this state in the practice of architecture, landscape architecture, professional  
21 geology or professional engineering for the federal government.

22           **SECTION 53.** 443.14 (3) of the statutes is amended to read:

23           443.14 (3) A public service company and its regular employes acting in its  
24 behalf where the professional engineering or professional geological services

1 rendered are in connection with its facilities which are subject to regulation,  
2 supervision and control by a commission of this state or of the federal government.

3 **SECTION 54.** 443.14 (4) of the statutes is amended to read:

4 443.14 (4) Any person who practices architecture, ~~professional geology~~ or  
5 professional engineering, exclusively as a regular employe of a private company or  
6 corporation, by rendering to the company or corporation architectural, ~~professional~~  
7 ~~geological~~ or professional engineering services in connection with its operations, so  
8 long as the person is thus actually and exclusively employed and no longer, if the  
9 company or corporation has at least one architect, ~~professional geologist~~ or  
10 professional engineer who is registered under this chapter in responsible charge of  
11 the company's or corporation's architectural, ~~professional geological~~ or professional  
12 engineering work in this state.

13 **SECTION 55.** 443.14 (6) of the statutes is amended to read:

14 443.14 (6) Notwithstanding any other provision of this chapter, contractors,  
15 subcontractors or construction material or equipment suppliers are not required to  
16 register under this chapter to perform or undertake those activities which  
17 historically and customarily have been performed by them in their respective trades  
18 and specialties, including, but not limited to, the preparation and use of drawings,  
19 specifications or layouts within a construction firm or in construction operations,  
20 superintending of construction, installation and alteration of equipment, cost  
21 estimating, consultation with architects, ~~professional geologists~~, professional  
22 engineers or owners concerning materials, equipment, methods and techniques, and  
23 investigations or consultation with respect to construction sites, provided all such  
24 activities are performed solely with respect to the performance of their work on  
25 buildings or with respect to supplies or materials furnished by them for buildings or

1 structures or their appurtenances which are, or which are to be, erected, enlarged  
2 or materially altered in accordance with plans and specifications prepared by  
3 architects, ~~professional geologists~~ or professional engineers, or by persons exempt  
4 under subs. (1) to (5) while practicing within the scope of their exemption.

5 **SECTION 56.** 443.14 (12) of the statutes is repealed.

6 **SECTION 57.** 443.14 (14) of the statutes is amended to read:

7 443.14 (14) A ~~professional geologist~~ person who, while engaged in the practice  
8 of professional geology ~~in accordance with this chapter, hydrology or soil science as~~  
9 defined in s. 470.01 (2), (3) or (4), practices professional engineering, if the acts that  
10 involve the practice of professional engineering are also part of the practice of  
11 professional geology, hydrology or soil science.

12 **SECTION 58.** 443.16 of the statutes is amended to read:

13 **443.16 Change of name.** No person may practice architecture, ~~professional~~  
14 ~~geology~~ or professional engineering in this state, and no person who is registered as  
15 a landscape architect under this chapter may practice landscape architecture in this  
16 state, under any other given name or any other surname than that under which the  
17 person was originally licensed or registered to practice in this or any other state, in  
18 any instance in which the examining board, after a hearing, finds that practicing  
19 under the changed name operates to unfairly compete with another practitioner or  
20 to mislead the public as to identity or to otherwise result in detriment to the  
21 profession or the public. This section does not apply to a change of name resulting  
22 from marriage or divorce.

23 **SECTION 59.** 443.17 of the statutes is amended to read:

24 **443.17 Seal or stamp; aiding unauthorized practice.** No person who is  
25 registered under this chapter to practice architecture, landscape architecture,

1 professional geology or professional engineering may impress his or her seal or  
2 stamp upon documents which have not been prepared by the person or under his or  
3 her direction and control, knowingly permit his or her seal or stamp to be used by any  
4 other person or in any other manner knowingly aid or abet the unauthorized practice  
5 of architecture, professional geology or professional engineering or the unauthorized  
6 use of the title "landscape architect" by persons not authorized under this chapter.

7 **SECTION 60.** 443.18 (1) (a) of the statutes is amended to read:

8 443.18 (1) (a) Any person who practices or offers to practice architecture,  
9 professional geology or professional engineering in this state, or who uses the term  
10 "architect", "professional geologist" or "professional engineer" as part of the person's  
11 business name or title, except as provided in s. 443.08 (6), or in any way represents  
12 himself or herself as an architect, a professional geologist or a professional engineer  
13 unless the person is registered or exempted in accordance with this chapter, or unless  
14 the person is the holder of an unexpired permit issued under s. 443.10 (1) (d), or any  
15 individual who uses the title "landscape architect" in this state unless the person is  
16 registered or exempted in accordance with this chapter, or any person presenting or  
17 attempting to use as his or her own the certificate of registration of another, or any  
18 person who gives any false or forged evidence of any kind to the examining board or  
19 to any member of the examining board in obtaining a certificate of registration, or  
20 any person who falsely impersonates any other registrant of like or different name,  
21 or any person who attempts to use an expired or revoked certificate of registration,  
22 or violates any of the provisions of this section, may be fined not less than \$100 nor  
23 more than \$500 or imprisoned for not more than 3 months or both.

24 **SECTION 61.** 443.18 (2) (a) of the statutes is amended to read:

1           **(3)** “Practice of professional hydrology” means the performance of or offer to  
2 perform any hydrologic service or work in which the public welfare or the  
3 safeguarding of life, health, environment or property is concerned or involved.  
4 “Practice of professional hydrology” includes the collection of hydrological data,  
5 consultation, investigation, evaluation, interpretation, planning or inspection  
6 relating to a service or work that applies hydrology.

7           **(4)** “Practice of professional soil science” means the performance of or offer to  
8 perform any service or work related to soil science in which the public welfare or the  
9 safeguarding of life, health, environment or property is concerned or involved.  
10 “Practice of professional soil science” includes the collection of soil data, consultation,  
11 investigation, evaluation, interpretation, planning or inspection relating to a service  
12 or work that applies soil science.

13           **(5)** “Professional geologist” means a person who engages in the practice of  
14 professional geology.

15           **(5m)** “Professional geologist section” means the professional geologist section  
16 of the examining board.

17           **(6)** “Professional hydrologist” means a person who engages in the practice of  
18 professional hydrology.

19           **(6m)** “Professional hydrologist section” means the professional hydrologist  
20 section of the examining board.

21           **(7)** “Professional soil scientist” means a person who engages in the practice of  
22 professional soil science

23           **(8)** “Professional soil scientist section” means the professional soil scientist  
24 section of the examining board.

1           **(9)** “Soil science” means a science that involves the study of soils between the  
2 surface of the earth and bedrock, including the study of natural or human processes  
3 or forces that occur in soils, and the investigation and collection of data concerning  
4 soils, including data regarding the interaction of soils with other gases, solids or  
5 fluids or living organisms.

6           **470.02 License required.** Except as provided in s. 470.025 or 470.045, no  
7 person may do any of the following:

8           **(1)** Engage or offer to engage in the practice of professional geology, designate  
9 himself or herself as a professional geologist, use or assume the title “professional  
10 geologist” or any other title, letters or designation which represents or may tend to  
11 represent the person as a professional geologist unless the person is licensed by the  
12 professional geologist section under this chapter.

13           **(2)** Engage or offer to engage in the practice of professional hydrology,  
14 designate himself or herself as a professional hydrologist, use or assume the title  
15 “professional hydrologist” or any other title, letters or designation which represents  
16 or may tend to represent the person as a professional hydrologist unless the person  
17 is licensed by the professional hydrologist section under this chapter.

18           **(3)** Engage or offer to engage in the practice of professional soil science,  
19 designate himself or herself as a professional soil scientist, use or assume the title  
20 “professional soil scientist” or any other title, letters or designation which represents  
21 or may tend to represent the person as a professional soil scientist unless the person  
22 is licensed by the professional soil scientist section under this chapter.

23           **470.025 Applicability.** This chapter does not require a license for any of the  
24 following:

1           **(1)** A person lawfully practicing within the scope of a license, permit,  
2 registration or certification granted by this state or the federal government.

3           **(2)** An officer or employe of the federal government while engaged within this  
4 state in the practice of professional geology, hydrology or soil science for the federal  
5 government.

6           **(3)** A public service company or its regular employes acting in its behalf that  
7 engage in the practice of professional geology, hydrology or soil science exclusively  
8 in connection with the facilities of the company that are subject to regulation,  
9 supervision or control by a commission of this state or the federal government.

10           **(4)** A person who engages in the practice of professional geology, hydrology or  
11 soil science exclusively as a regular employe of a private company or corporation, by  
12 rendering to the company or corporation geological, hydrological or soil science  
13 services in connection with its operations, so long as the person is actually and  
14 exclusively so employed and no longer, if the company or corporation has at least one  
15 professional geologist, hydrologist or soil scientist who is licensed under this chapter  
16 in responsible charge of the company's or corporation's professional geological,  
17 hydrological or soil science work in this state.

18           **(5)** A contractor, subcontractor or construction material or equipment supplier  
19 who performs or undertakes activities that historically and customarily have been  
20 performed by a contractor, subcontractor or construction material or equipment  
21 supplier in his or her respective trade or specialty, including the preparation and use  
22 of drawings, specifications or layouts within a construction firm or in construction  
23 operations, superintending of construction, installation and alteration of equipment,  
24 cost estimating, consultation with professional geologists, hydrologists or soil  
25 scientists or owners concerning materials, equipment, methods and techniques, and

1 investigations or consultation with respect to construction sites, provided all such  
2 activities are performed solely with respect to the performance of the contractor's,  
3 subcontractor's or supplier's work on buildings or with respect to supplies or  
4 materials furnished by him or her for buildings or structures or their appurtenances  
5 which are, or which are to be, erected, enlarged or materially altered in accordance  
6 with plans and specifications prepared by professional geologists, hydrologists or soil  
7 scientists or by a person specified in subs. (1) to (4).

8 **(6)** A person employed by a county or this state who is engaged in the planning,  
9 design, installation or regulation of land and water conservation activities under ch.  
10 92 or s. 281.65 and who is certified under s. 92.18.

11 **(7)** A land surveyor registered under ch. 443 who is engaged in the planning,  
12 design, installation or regulation of land and water conservation activities under ch.  
13 92 or s. 281.65.

14 **(8)** A person engaged solely in teaching geology, hydrology or soil science or a  
15 related physical or natural science, or a person engaged solely in geological,  
16 hydrological or soil science research as an employe of an educational or research  
17 institution or a governmental agency.

18 **(9)** A well driller, as defined in s. 280.01 (7), who is engaged in well drilling, as  
19 defined in s. 280.01 (8).

20 **(10)** A professional engineer registered under ch. 443 who, while engaged in  
21 the practice of professional engineering, as defined in s. 443.01 (6), collects,  
22 investigates, interprets or evaluates data relating to soil, rock, groundwater, surface  
23 water, gases or other earth conditions, or uses that data for analysis, consultation,  
24 planning, design or construction.

1           **(11)** A professional geologist, hydrologist or soil scientist who is licensed to  
2 engage in the practice of professional geology, hydrology or soil science in another  
3 state or country and is providing a consultation or demonstration with a professional  
4 geologist, hydrologist or soil scientist who is licensed under this chapter.

5           **470.03 Duties of the examining board.** **(1)** The examining board shall do  
6 all of the following:

7           (a) Upon the advice of the professional geologist section, promulgate rules  
8 establishing requirements and standards for the practice of professional geology by  
9 a person who is licensed as a professional geologist under this chapter, including a  
10 code of ethics that governs the practice of professional geology.

11           (b) Upon the advice of the professional hydrologist section, promulgate rules  
12 establishing requirements and standards for the practice of professional hydrology  
13 by a person who is licensed as a professional hydrologist under this chapter,  
14 including a code of ethics that governs the practice of professional hydrology.

15           (c) Upon the advice of the professional soil scientist section, promulgate rules  
16 establishing requirements and standards for the practice of professional soil science  
17 by a person who is licensed as a professional soil scientist under this chapter,  
18 including a code of ethics that governs the practice of professional soil science.

19           **(2)** Upon the advice of the appropriate section of the examining board, the  
20 examining board may promulgate rules that establish continuing education  
21 requirements that a person must satisfy to be eligible to renew a license that is issued  
22 under this chapter.

23           **470.04 Licensure requirements.** **(1)** The professional geologist, hydrologist  
24 or soil scientist section may not grant a license under this chapter unless an  
25 applicant does each of the following:

1 (a) Submits an application for the license to the department on a form provided  
2 by the department.

3 (b) Pays the fee specified in s. 440.05 (1).

4 (c) Passes an examination under s. 470.05.

5 (d) Submits to the department letters of recommendation from 5 persons. At  
6 least 3 letters shall be from individuals who have personal knowledge of the  
7 individual's experience in, depending on the license for which an application is made,  
8 geologic, hydrologic or soil science work. At least one letter of recommendation shall  
9 be from an individual who, depending on the license for which an application is made,  
10 is licensed as a professional geologist, hydrologist or soil scientist under this chapter.

11 **(2)** The professional geologist section shall grant a professional geologist  
12 license to a person who satisfies the requirements under sub. (1) and who submits  
13 evidence satisfactory to the section of all of the following:

14 (a) Subject to ss. 111.321, 111.322 and 111.335, that he or she does not have an  
15 arrest or conviction record the circumstances of which substantially relate to the  
16 practice of professional geology.

17 (c) That he or she has completed one of the following:

18 **(3)** The professional hydrologist section shall grant a professional hydrologist  
19 license to a person who satisfies the requirements under sub. (1) and who submits  
20 evidence satisfactory to the section of all of the following:

21 (a) Subject to ss. 111.321, 111.322 and 111.335, that he or she does not have an  
22 arrest or conviction record the circumstances of which substantially relate to the  
23 practice of professional hydrology.

24 (b) Subject to sub. (7), that he or she has a bachelor's degree with course credits  
25 in hydrology or water resources of a variety and nature sufficient to constitute a

1 hydrology or water resources major from a college or university approved by the  
2 examining board.

3 (c) That he or she has completed one of the following:

4 1. Subject to sub. (5), at least 5 years of professional experience in hydrologic  
5 work of a character satisfactory to the section which demonstrates that the applicant  
6 is qualified to assume responsible charge of hydrologic work. At least 2 years of the  
7 hydrologic work required under this subdivision must have been performed under  
8 the supervision of any of the following:

9 a. A person who is licensed as a professional hydrologist under this chapter or,  
10 for work performed before January 1, 1999, who was registered as a professional  
11 geologist under ch. 443, 1995 stats.,

12 b. A person who is licensed as a professional hydrologist in another state or  
13 territory or possession of the United States or in another country that has licensure  
14 requirements for professional hydrologists that are substantially equivalent to the  
15 requirements for licensure under this chapter.

16 c. Any other person who the section determines is qualified to have responsible  
17 charge of hydrologic work.

18 2. Subject to sub. (6), at least 7 years of professional experience in hydrologic  
19 work of a character satisfactory to the section which demonstrates that the applicant  
20 is qualified to assume responsible charge of hydrologic work, with a satisfactory  
21 evaluation of the last 2 years of the professional experience under a peer review  
22 system approved by the section.

23 (4) The professional soil scientist section shall grant a professional soil  
24 scientist license to a person who satisfies the requirements under sub. (1) and who  
25 who submits evidence satisfactory to the section of all of the following:

1 (a) Subject to ss. 111.321, 111.322 and 111.335, that he or she does not have an  
2 arrest or conviction record the circumstances of which substantially relate to the  
3 practice of professional soil science.

4 (b) Subject to sub. (7), that he or she has a bachelor's degree with course credits  
5 in soil science of a variety and nature sufficient to constitute a soil science major from  
6 a college or university approved by the examining board.

7 (c) That he or she has completed one of the following:

8 1. Subject to sub. (5), at least 5 years of professional experience in soil science  
9 work of a character satisfactory to the section which demonstrates that the applicant  
10 is qualified to assume responsible charge of soil science work. At least 2 years of the  
11 soil science work required under this subdivision must have been performed under  
12 the supervision of any of the following:

13 a. A person who is licensed as a professional soil scientist under this chapter  
14 or, for work performed before January 1, 1999, who was registered as a professional  
15 geologist under ch. 443, 1995 stats.

16 b. A person who is licensed as a professional soil scientist in another state or  
17 territory or possession of the United States or in another country that has licensure  
18 requirements for professional soil scientists that are substantially equivalent to the  
19 requirements for licensure under this chapter.

20 c. Any other person who the section determines is qualified to have responsible  
21 charge of soil science work.

22 2. Subject to sub. (6), at least 7 years of professional experience in soil science  
23 work of a character satisfactory to the section which demonstrates that the applicant  
24 is qualified to assume responsible charge of soil science work, with a satisfactory

1 evaluation of the last 2 years of the professional experience under a peer review  
2 system approved by the section.

3 (5) The appropriate section of the examining board shall reduce the  
4 5-year-experience requirement under sub. (2) (c) 1., (3) (c) 1. or (4) (c) 1. to 4 years  
5 if an applicant for a license has one or more advanced degrees, approved by the  
6 section, in geology, geophysics, geochemistry, hydrology, engineering geology,  
7 geotechnical engineering, soil science or a related science.

8 (6) The appropriate section of the examining board shall reduce the  
9 7-year-experience requirement under sub. (2) (c) 2., (3) (c) 2. or (4) (c) 2. to 6 years  
10 if an applicant for a license has one or more advanced degrees, approved by the  
11 section, in hydrology, geology, geophysics, geochemistry, engineering geology,  
12 geotechnical engineering, soil science or a related science.

13 (7) The appropriate section of the examining board may waive a requirement  
14 specified in sub. (2) (b), (3) (b) or (4) (b) if an applicant for a license has professional  
15 experience in excess of 5 years that the applicant demonstrates to the satisfaction  
16 of the section is substantially equivalent to the requirement.

17 **470.045 Firms, partnerships and corporations.** (1) The practice of  
18 professional geology, hydrology or soil science pertaining to the internal operations  
19 of a firm, partnership or corporation may be performed by employes if the  
20 professional geological, hydrological or soil science services are performed by or  
21 under the direct supervision of a professional geologist, hydrologist or soil scientist  
22 licensed under this chapter or exempt from licensure under s. 470.025. Licensed or  
23 exempt professional geological, hydrological or soil science employes may provide  
24 professional geological, hydrological or soil science data with respect to the  
25 manufacture, sale and utilization of the products of the firm, partnership or

1 corporation to other licensed or exempt professional geologists, hydrologists or soil  
2 scientists.

3 (2) The practice or offer to practice professional geology, hydrology or soil  
4 science by individual professional geologists, hydrologists or soil scientists licensed  
5 under this chapter, through a firm, partnership or corporation as principals, officers,  
6 employes or agents, is permitted subject to this chapter, if all personnel who practice  
7 or offer to practice in its behalf as professional geologists, hydrologists or soil  
8 scientists are licensed under this chapter and if the firm, partnership or corporation  
9 has been issued a certificate of authorization under sub. (3).

10 (3) (a) A firm, partnership or corporation desiring a certificate of authorization  
11 shall submit an application to the department on forms provided by the department,  
12 listing the names and addresses of all officers and directors, and all individuals in  
13 its employment licensed to practice professional geology, hydrology or soil science in  
14 this state who will be in responsible charge of professional geology, hydrology or soil  
15 science being practiced in this state through the firm, partnership or corporation and  
16 other relevant information required by the appropriate section of the examining  
17 board. A similar type of form shall also accompany the renewal fee. If there is a  
18 change in any of these persons, the change shall be reported on the same type of form,  
19 and filed with the department within 30 days after the effective date of the change.  
20 The appropriate section of the examining board shall grant a certificate of  
21 authorization to a firm, partnership or corporation complying with this subsection  
22 upon payment of the fee specified in s. 440.05 (1). This subsection does not apply to  
23 firms, partnerships or corporations exempt under s. 470.025 (3).

24 (b) The renewal date and renewal fee for certificates of authorization under this  
25 section are specified under s. 440.08 (2) (a).

1           (4) (a) No firm, partnership or corporation may be relieved of responsibility for  
2 the conduct or acts of its agents, employes or officers by reason of its compliance with  
3 this chapter, nor may any individual practicing professional geology, hydrology or  
4 soil science be relieved of responsibility for professional geological, hydrological or  
5 soil science services performed by reason of his or her employment or relationship  
6 with the firm, partnership or corporation.

7           (b) All final drawings, specifications, plans, reports or other papers or  
8 documents involving the practice of professional geology, hydrology or soil science  
9 that are prepared for the use of a firm, partnership or corporation for delivery by it  
10 to any person or that are prepared for public record within the state shall be dated  
11 and bear the signature and seal of the professional geologist, hydrologist or soil  
12 scientist who was in responsible charge of their preparation. This paragraph does  
13 not apply to persons exempt under s. 470.025 (3) or (4).

14           (5) No firm, partnership or corporation may engage or offer to engage in the  
15 practice of professional geology, hydrology or soil science in this state, or use in  
16 connection with its name or otherwise assume, use or advertise any title or  
17 description tending to convey the impression that it is engaged in the practice of  
18 professional geology, hydrology or soil science, nor may it advertise or offer to furnish  
19 a professional geological, hydrological or soil science service, unless the firm,  
20 partnership or corporation has complied with this chapter.

21           **470.05 Examination.** Beginning no later than January 1, 2000, the  
22 appropriate section of the examining board shall conduct or arrange for  
23 examinations for licensure as a professional geologist, hydrologist or soil scientist at  
24 least semiannually and at times and places determined by the section.  
25 Examinations under this section shall require an applicant to demonstrate

1 minimum competency in the principles and practice of subjects substantially related  
2 to the practice of professional geology, hydrology or soil science and may consist of  
3 one or more written or oral tests, or both.

4 **470.06 Reciprocal licenses.** Upon application and payment of the fee  
5 specified in s. 440.05 (2), the appropriate section of the examining board may issue  
6 a professional geologist, hydrologist or soil scientist license to a person who has been  
7 issued a similar license by another state or territory of the United States or in  
8 another country if he or she submits evidence satisfactory to the section of all of the  
9 following:

10 (1) That, subject to ss. 111.321, 111.322 and 111.335, he or she does not have  
11 an arrest or conviction record the circumstances of which substantially relate to the  
12 practice of professional geology, hydrology or soil science.

13 (2) That the requirements of the other state, territory or country that issued  
14 the license are substantially equivalent to the requirements under this chapter.

15 **470.07 Renewal of licenses.** The renewal dates for licenses granted under  
16 this chapter are specified under s. 440.08 (2) (a). Renewal applications shall be  
17 submitted to the department on a form provided by the department and shall include  
18 the renewal fee specified in s. 440.08 (2) (a) and evidence satisfactory to the  
19 appropriate section of the examining board that the applicant has completed any  
20 continuing education requirements specified in rules promulgated under s. 470.03  
21 (2).

22 **470.08 Disciplinary proceedings and actions.** (1) Subject to the rules  
23 promulgated under s. 440.03 (1), the appropriate section of the examining board may  
24 make investigations and conduct hearings to determine whether a violation of this  
25 chapter or any rule promulgated under this chapter has occurred.

1           (2) Subject to the rules promulgated under s. 440.03 (1), the appropriate section  
2 of the examining board may reprimand a person issued a license under this chapter,  
3 or may deny, limit, suspend or revoke a license under this chapter, if the applicant  
4 or license holder has done any of the following:

5           (a) Made a material misstatement in an application for a license or for renewal  
6 of a license.

7           (b) Subject to ss. 111.321, 111.322 and 111.335, been arrested or convicted of an  
8 offense the circumstances of which substantially relate to the practice of professional  
9 geology, hydrology or soil science.

10           (c) Been adjudicated mentally incompetent by a court of competent jurisdiction.  
11 A certified copy of the record of an adjudication of incompetency is conclusive  
12 evidence of incompetence under this paragraph.

13           (d) Advertised in a manner that is false, deceptive or misleading.

14           (e) Advertised, practiced or attempted to practice under another's name.

15           (f) Subject to ss. 111.321, 111.322 and 111.34, engaged in the practice of  
16 professional geology, hydrology or soil science while the person's ability to engage in  
17 the practice was impaired by alcohol or other drugs.

18           (g) Violated any requirement or standard relating to the practice of professional  
19 geology, hydrology or soil science established by the examining board by rule.

20           (h) Engaged in conduct while engaging in the practice of professional geology,  
21 hydrology or soil science which evidences a lack of knowledge or ability to apply  
22 professional principles or skills.

23           (i) Failed to cooperate with the examining board in an investigation under this  
24 section.

1 (j) Aided another person in violating this chapter or any rule promulgated  
2 under this chapter.

3 (k) Violated this chapter or any rule promulgated under this chapter.

4 **(3)** The examining board may reprimand a firm, partnership or corporation  
5 that holds a certificate of authorization issued under this chapter or may limit,  
6 suspend or revoke such a certificate if any of the agents, employes or officers of the  
7 firm, partnership or corporation has committed any act or has been guilty of any  
8 conduct which would authorize a reprimand or a limitation, suspension or revocation  
9 of a license under this chapter, unless the firm, partnership or corporation submits  
10 evidence satisfactory to the examining board that the agent, employe or officer is no  
11 longer practicing or offering to practice professional geology, hydrology or soil science  
12 in its behalf.

13 **(4)** Any person may make charges that any holder of a license or certificate of  
14 authorization issued under this chapter has committed an act for which a reprimand  
15 or limitation, suspension or revocation of registration is authorized under sub. (2).  
16 Such charges shall be in writing, shall be sworn to by the person making them and  
17 shall be submitted to the examining board. The examining board may, on its own  
18 motion, make such charges. All charges, unless dismissed by the examining board  
19 as unfounded or trivial, shall be heard by the appropriate section of the examining  
20 board, subject to the rules promulgated under s. 440.03 (1).

21 **(5)** If, after a hearing under sub. (4), 3 members of a section of the examining  
22 board vote in favor of sustaining charges specified in sub. (4), the examining board  
23 shall reprimand the holder of the license or certificate of authorization or limit,  
24 suspend or revoke the license or certificate.

1           **(6)** The examining board, for reasons the appropriate section of the examining  
2 board considers sufficient, may reissue a license or certificate of record to any person  
3 whose certificate has been revoked if 3 members of the section vote in favor of the  
4 reissuance. Subject to the rules of the examining board, the examining board may,  
5 upon payment of the required fee, issue a new license or certificate of authorization  
6 to replace any license or certificate that is revoked, lost, destroyed or mutilated.

7           **470.09 Penalties. (1)** A person who violates this chapter or any rule  
8 promulgated under this chapter may be required to forfeit not more than \$5,000 for  
9 the first offense and may be required to forfeit not more than \$10,000 for the 2nd or  
10 any later offense within a year. Each day of continued violation constitutes a  
11 separate offense.

12           **(2)** A person who wilfully violates this chapter or any rule promulgated under  
13 this chapter may be fined not more than \$10,000.

14           **SECTION 63.** 703.11 (2) (b) of the statutes is amended to read:

15           703.11 **(2)** (b) A survey of the property described in the declaration complying  
16 with minimum standards for property surveys adopted by the examining board of  
17 architects, landscape architects, ~~professional geologists~~, professional engineers,  
18 designers and land surveyors and showing the location of any unit or building located  
19 or to be located on the property.

20           **SECTION 64. Nonstatutory provisions.**

21           (1) **DEFINITIONS.** In this section:

22           (a) “Professional geologist section” means the professional geologist section of  
23 the examining board of professional geologists, hydrologists and soil scientists.

1 (b) "Professional hydrologist section" means the professional hydrologist  
2 section of the examining board of professional geologists, hydrologists and soil  
3 scientists.

4 (c) "Professional soil scientist section" means the professional soil scientist  
5 section of the examining board of professional geologists, hydrologists and soil  
6 scientists.

7 (2) INITIAL APPOINTMENTS. Notwithstanding the length of terms specified in  
8 section 15.405 (2m) (a) (intro.) of the statutes, as created by this act, the initial  
9 members of the examining board of professional geologists, hydrologists and soil  
10 scientists shall be appointed by the first day of the 4th month beginning after the  
11 effective date of this subsection for the following terms:

12 (a) One professional geologist, one professional hydrologist and one  
13 professional soil scientist, for terms expiring on July 1, 2000.

14 (b) One professional geologist, one professional hydrologist, one professional  
15 soil scientist and one public member, for terms expiring on July 1, 2001.

16 (c) One professional geologist, one professional hydrologist, one professional  
17 soil scientist and one public member, for terms expiring on July 1, 2002.

18 (d) One public member, for a term expiring on July 1, 2003.

19 (3) TRANSITIONAL PROVISIONS.

20 (a) Notwithstanding section 470.04 of the statutes, as created by this act, the  
21 professional geologist, hydrologist or soil scientist section shall do all of the following:

22 1. Issue a professional geologist license to an individual who holds a valid  
23 certificate of registration as a professional geologist by the examining board of  
24 architects, landscape architects, professional geologists, professional engineers,

1 designers and land surveyors under section 443.10 (2) (c), 1995 stats., that was  
2 granted before the effective date of this subdivision.

3 2. Issue a professional hydrologist license or a professional soil scientist license  
4 to an individual who, subject to sections 111.321, 111.322 and 111.335 of the statutes,  
5 does not have an arrest or conviction record, and who does all of the following:

6 a. Submits an application for the license to the department of regulation and  
7 licensing no later than the first day of the 6th month beginning after the effective  
8 date of this subdivision 2. a.

9 b. Pays the fee specified in section 440.05 (1) of the statutes.

10 c. Submits evidence satisfactory to the professional hydrologist or soil scientist  
11 section that he or she has a bachelor's degree, and at least 30 semester hours or 45  
12 quarter hours of course credits related to hydrology, water resources or soil science,  
13 from a college or university approved by the section.

14 d. Submits evidence satisfactory to the professional hydrologist or soil scientist  
15 section that, after completing the educational requirements specified in subdivision  
16 2. c., the individual has completed at least 5 years of professional experience in  
17 hydrologic or soil science work of a character satisfactory to the section that  
18 demonstrates that the applicant is qualified to assume responsible charge of  
19 hydrologic or soil science work. At least 2 years of the hydrologic or soil science work  
20 required under this subdivision 2. d. must have been performed under the  
21 supervision of a person whom the section determines is qualified to have responsible  
22 charge of hydrologic or soil science work. The 5 year's experience requirement in this  
23 subdivision 2. d. shall be reduced to 4 years if the individual has one or more  
24 advanced degrees, approved by the section, in hydrology or soil science or a geological  
25 science that is related to hydrology or soil science.

1 e. Submits to the section letters of recommendation from 5 persons. At least  
2 3 letters shall be from individuals who have personal knowledge of the experience  
3 in hydrologic or soil science work of the individual applying for licensure.

4 (b) Notwithstanding section 470.045 (2) and (3) of the statutes, as created by  
5 this act, the professional geologist section shall issue a professional geology firm,  
6 partnership or corporation certificate of authorization to a firm, partnership or  
7 corporation that was granted a certificate of authorization under section 443.08 (3)  
8 (a), 1995 stats., by the section before the effective date of this paragraph.

9 (c) A license issued under paragraph (a) shall have the same force and effect  
10 as a professional geologist, hydrologist or soil scientist license that is issued under  
11 section 470.04 of the statutes, as created by this act, and may be renewed under  
12 section 470.07 of the statutes, as created by this act. A professional geology firm,  
13 partnership or corporation certificate of authorization issued under paragraph (b)  
14 shall have the same force and effect as a certificate of authorization issued by the  
15 professional geologist section under section 470.045 (3) (a) of the statutes, as created  
16 by this act, and may be renewed under section 470.045 (3) (b) of the statutes, as  
17 created by this act.

18 (4) EMERGENCY RULES. Using the procedure under section 227.24 of the  
19 statutes, the examining board of professional geologists, hydrologists and soil  
20 scientists may promulgate rules required under section 470.03 (1) (a), (b) and (c) of  
21 the statutes, as created by this act, for the period before the effective date of  
22 permanent rules promulgated under section 470.03 (1) (a), (b) and (c) of the statutes,  
23 as created by this act, but not to exceed the period authorized under section 227.24  
24 (1) (c) and (2) of the statutes. Notwithstanding section 227.24 (1) (a) and (2) (b) of the  
25 statutes, the examining board of professional geologists, hydrologists and soil

1 scientists need not provide evidence of the necessity of preservation of the public  
2 peace, health, safety or welfare in promulgating rules under this subsection.

3 (5) TRANSFER OF AUTHORITY AND RECORDS BETWEEN EXAMINING BOARDS. During the  
4 period beginning on the effective date of this subsection and ending on the first day  
5 of the 6th month beginning after the effective date of this subsection, the examining  
6 board of architects, landscape architects, professional geologists, professional  
7 engineers, designers and land surveyors shall cooperate with the professional  
8 geologist, hydrologist and soil scientist sections in providing orderly and efficient  
9 transfers under this subsection. On the first day of the 6th month beginning after  
10 the effective date of this subsection, all of the following apply:

11 (a) The assets and liabilities of the examining board of architects, landscape  
12 architects, professional geologists, professional engineers, designers and land  
13 surveyors pertaining to the regulation of professional geologists, hydrologists or soil  
14 scientists shall become the assets and liabilities of the examining board of  
15 professional geologists, hydrologists and soil scientists.

16 (b) All tangible personal property, including records, of the examining board of  
17 architects, landscape architects, professional geologists, professional engineers,  
18 designers and land surveyors pertaining to the regulation of professional geologists,  
19 hydrologists or soil scientists is transferred to the examining board of professional  
20 geologists, hydrologists and soil scientists.

21 (c) All rules pertaining to the regulation of professional geologists, hydrologists  
22 or soil scientists that have been promulgated by the examining board of architects,  
23 landscape architects, professional geologists, professional engineers, designers and  
24 land surveyors and that are in effect shall become rules of the examining board of  
25 professional geologists, hydrologists and soil scientists and shall remain in effect

1 until their specified expiration dates or until amended or repealed by the examining  
2 board of professional geologists, hydrologists and soil scientists. All orders  
3 pertaining to the regulation of professional geologists, hydrologists or soil scientists  
4 that have been issued by the examining board of architects, landscape architects,  
5 professional geologists, professional engineers, designers and land surveyors and  
6 that are in effect shall become orders of the examining board of professional  
7 geologists, hydrologists and soil scientists and shall remain in effect until their  
8 specified expiration dates or until modified or rescinded by the examining board of  
9 professional geologists, hydrologists and soil scientists.

10 (d) Any matter relating to the regulation of professional geologists,  
11 hydrologists or soil scientists that is pending with the examining board of architects,  
12 landscape architects, professional geologists, professional engineers, designers and  
13 land surveyors is transferred to the examining board of professional geologists,  
14 hydrologists and soil scientists, and all materials submitted to or actions taken by  
15 the examining board of architects, landscape architects, professional geologists,  
16 professional engineers, designers and land surveyors with respect to the pending  
17 matter are considered to have been submitted to or taken by the examining board of  
18 professional geologists, hydrologists and soil scientists.

19 **SECTION 65. Effective dates.** This act takes effect on January 1, 1999, except  
20 as follows:

21 (1) SECTION 64 of this act takes effect on the day after publication.

22 (END)
